

Product Certificate

Company Name: CMD Ltd
Product Name: Harmony
Product Category: Power Module
Certificate Date: 03/05/2016

Dear Customer

Harmony Power and Data Module

Standards - Our highly trained and experienced engineers are fully qualified in all aspects of compliance with *BS6396 Electrical Systems in Office Furniture & Educational Furniture* and all of our products are manufactured to comply with the requirements of *BS5733 General requirements for electrical accessories* and where relevant *BS EN 61535 Installation couplers intended for intended for permanent connection in fixed installations*.

Harmony - Specific products are tested on an individual basis and the complete detail of the tests performed and the results for Harmony are recorded in the BSI test report No 7779036 1-5. Dated 30/07/2012. Whilst our new Harmony power and data includes a number of cosmetic changes, the internal design and manufacturing method for our full range of configurations remains the same.
